both from the wording of the letter under disposal and the fact that a list for the Financial Secretary was received in the Genl Branch & transferred to the Branch for disposal.

If approved the Supdt will be asked to forward a revised list as soon as all individual lists are received back from the Dept[l] Officers with corrections. Meanwhile the list so far as regards the works done for the Genl & Rev Sects & concerned may be circulated to the several Branches for scrutiny?

3) I don't understand why this list is sent to us now. f.o. No. 13906-S G. P. 24-12-11 dy 11th June clearly depicts what work is to be done in the Press for each Dept & the Superintendent is directed to maintain printed lists of all such matters & send copies to Depts concerned. — It seems to me that the Supdt should be asked to make sure that the list prepared by him is in accordance with the instructions in the f.o. & has sent it to us for appl wh. is not necessary — However as
